individuality

Step out everyday Looking good.

Three seconds. That's how long it takes to fall in love. Hard to describe, but unmistakable when it happens. From across the road, you catch a glimpse of sleek curves, clean lines and head-turning good looks.

Meet the i20 – your perfect match. If a car says something about its owner, then it's easy to let the i20 do the talking.

Style speaks louder than words.

i20

Its your life Enjoy the drive.

i20

Walking, reading, riding a bike. The very first skills you learnt once seemed the hardest things to master. Now, they're second nature. Rather like driving the i20. With ESP as standard on all i20s, you will feel confident on wet and twisty roads. Feel secure as you weave through busy traffic and narrow streets.

Active front head restraints support your neck, reducing the chances of sustaining a whiplash injury in the event of a rear collision. The i20's seatbelt reminder system provides a visual warning if anyone isn't strapped in. You just enjoy the journey – trusting one of the safest cars in its class to take care of you and your family.

- 2 | Seatbelt reminder system – front and rear

that the i20 is the right choice for you. At Hyundai we offer a five year unlimited mileage warranty across our passenger car range as standard so you can also enjoy your driving experience with added peace of mind. And with the i20's engines now more efficient than ever, you can go longer between

fills, with the 1.4 CRDi (75 PS) engine delivering up to 74.3 miles per gallon and emitting just 110 g/km of CO₂, you're about to make another life-enhancing discovery.

You have more money to spend on other things that make you happy.

The shape of things to come The stylish 3 door i20.

i20

It's often said that fashion fades but style is eternal. So true of the 3 door i20. Contemporary, stylish, a real head-turner. But beauty is more than skin deep with this well designed compact car. It's nippy and so easy to park making it perfect for the city.

So, whether it's café society or retail therapy you're after, the 3 door i20 is the car for you. It's compact chic design is, however, also deceiving. The longer doors offer easy access to the spacious rear seats.

Friends and family will travel in comfort. And the boot space carries loads more than just the bare essentials. So whether you're nipping around town or out on the open road - life's a breeze in a 3 door i20.

i20

Get used to second glances

Classic, Comfort, Style.

Decisions, decisions, decisions.

Some decisions are harder to make than others – unlike choosing your perfect i20. With a level of standard equipment you'd normally expect in more expensive cars, we've hopefully made deciding that little bit easier. Choose from Classic, Comfort and Style.

fiveyear warranty

Our Five Year Warranty demonstrates our confidence in the world class quality of our cars.

Passenger Cars

We offer a Five Year, manufacturer backed, unlimited mileage warranty^Δ, which protects against manufacturing defects^{**} on all Hyundai passenger cars not used for hire or reward or commercial use.

In addition Hyundai offers:

- A Six or Ten year Anti-perforation Warranty[□] against perforation of the bodywork from the inside of the panel outwards.

Hyundai Car Finance

Many of our customers borrow money from somewhere to enable them to purchase their new Hyundai. At Hyundai Car Finance we believe we have a complete solution with a range of products for all Hyundai customers. We provide Hire Purchase or Personal Loan options. Simply finance any amount over any period between 12 to 60 months. For further details on the finance options available, please contact your dealer.

Sequences

Reduce your monthly payments by deferring part of the cost to the end of the agreement, resulting in an optional final payment and offering you three great choices.

Payment protection

We offer three levels of Payment Protection cover to cater for a whole range of circumstances.

Guaranteed asset protection

Did you know that if your vehicle was written off as a result of an accident, fire or theft, your insurance company would only pay the current market value of the vehicle, and not what you actually paid for it? If you wanted to replace your vehicle you would have to find the difference. Gap Insurance can cover you for any shortfall from your insurance company in a total loss situation.

Competitive Advantage System

For further information and the chance to compare us against other cars you may be considering, use the Competitive Advantage System which can be found at www.hyundai.co.uk.

If you need to find out more about Hyundai itself, or any of our vehicle range, please consult your local Hyundai dealer, or feel free to visit our website. There's very little you won't be able to discover and then it's the simple matter of trying and buying, because once you test drive a Hyundai, we're sure it will surprise and excite in equal measure.
